following the tournament**

Sunshine Acres is a non-profit 501 (c) 3 charity organization which provides a loving, Christian home for 70 needy children.

Rev. James and Vera Dingman opened Sunshine Acres in 1954 and since that time more than 2000 children have made it their home. Sunshine Acres receives no government support for the care of the children, rather it is supported by private donations, through individuals, corporations, and organizations like East Valley Charities which hold fundraising events for the home.

Your participation in this tournament is not only an opportunity for fun, friendship and prizes, but also benefits a very important children's service in our community.

East Valley Charities is a non-profit organization. Its sole purpose is to raise needed funds for Sunshine Acres Children's Home. Each member of East Valley Charities is a volunteer and there is no paid staff.
